

3-Day **Gentle Teaching Workshop** at the SHARE Foundation May 31, Jun 1 & 2, 2017

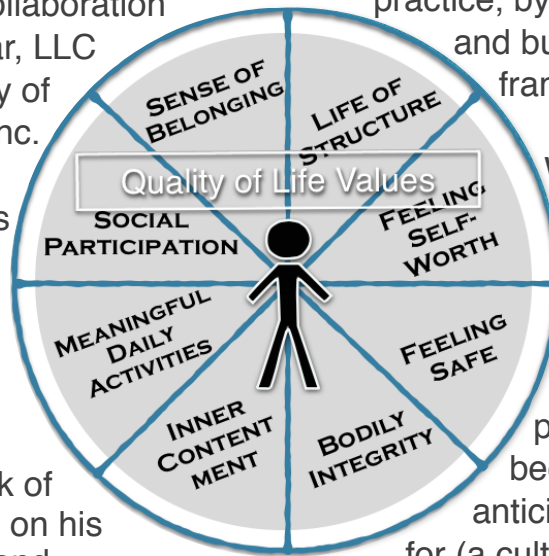

YOU ARE INVITED to join us this May for a 3-day Gentle Teaching workshop at the SHARE Foundation. This annual learning event, held at the St. Timothy Center in Sharing Meadows, Ind., is produced in collaboration with Globe Star, LLC and the Quality of Life Institute, Inc.

The SHARE Foundation honors a Christian tradition that is celebrated and incorporated into our three days. A morning blessing is given by SHARE's president and founder, Fr. Dennis Blaney, who is also the author of *Sharing LOVE*, a book of beautiful stories and reflections on his life's path that led to his vision and

founding of the SHARE Foundation.

"Acts of Gentleness" is this year's theme. We will look at the social vision of Gentle Teaching as an invitation *to act justly*, and discuss how we can accept the invitation into our own practice, by mentoring a spirit of gentleness and building relationships with a framework of Gentle Teaching.

We'll learn about Gentle Teaching initiatives that engage others in meaningful moments. Mentoring a spirit of gentleness leads one toward a heartfelt awareness of present possibilities, based on what becomes trusted (relationship); anticipated (quality of life); and hoped for (a culture of gentleness).

Registration (\$195) includes continental breakfast, lunch and snacks for each day, plus pre-printed materials that will be distributed. Some assistance is being offered, as needed, so that everyone who would like to join us has the best opportunity to do so.

Reasonable hotel rates are offered at the nearby Hampton and Holiday Inns.
