At Globe Star, we have found that individuals who receive our support services, grow and learn how to live their lives more independently, and with a deeper sense of fulfillment.

What is Globe Star Senior Day Services?

Globe Star Senior Day Services is a unique adult day program for seniors.

The concept for the program was developed by caring and concerned professionals and family members who wanted to expand on the philosophy and the services provided by traditional day programs.

The program is based on the philosophy that all people, regardless of disability, have skills and talents that should enable their equal opportunity and contribution to the community.

Globe Star Senior Day Services provides a safe, secure, and stimulating learning environment where seniors can learn, grow, nurture their skills and talents, and actively participate and contribute to their community.
